

Circles for Reconciliation

AFTER 94

Join Circles for Reconciliation for “After 94”, a webinar featuring Allen Sutherland (White Spotted Horse), an Anishinaabe Knowledge Keeper from Skownan First Nation in Treaty 2 Territory. Allen is an Indigenous Historian, Treaty Educator, Pipe Carrier, Sweat Lodge Keeper, and Founder of Ginew Healing Lodge. He is also the creator of the Canadian Indigenous Historical Timeline, an educational resource used across Canada to strengthen understanding of Indigenous-Canada relations and the ongoing renewal of Treaty relationships.

This webinar will explore the 94 Calls to Action, their connection to Treaties and Indigenous history, and how we can move beyond awareness toward meaningful action.

Join us to reflect on where we are, what remains to be done, and how we can each contribute to reconciliation.
